

## Environmental Consultant

Naturally Compliant has a strong focus on supporting infrastructure development of renewable and energy transition projects. We are a forward-thinking UK company at the forefront of the environmental and construction sector, and we have several opportunities to join our team across the UK.

### The role

You will play a pivotal role supporting our clients in the post planning consent and construction phases – where there is an opportunity to make a real impact on the project's environmental performance. Through influencing design, developing and reviewing environmental management project documents, providing site based environmental management and advisory services. And where required providing site based environmental assurance support.

### About you

**Experience:** Whether you are new to the sector, have experience of a technical specialism or have several years' experience in a multi-environmental disciplinary role with project management and onsite construction phase support we would like to hear from you.

**Skills:** Great interpersonal and communication skills, with an innate ability to persuade and build strong client relationships.

**Knowledge:** An understanding of the environmental and construction sector.

**Attributes:** Self-motivated, proactive, solution focussed, and happy to work flexibly.

**Commitment:** Ready to successfully deliver outstanding support to enable our client to achieve their goals.

**Location:** Permission to work in the UK.

### Why join us

**Impact:** Make a tangible difference in promoting sustainable practices within the environmental and construction sectors.

**Reward:** Our offer is aimed to support you help our clients deliver excellent projects and includes;

- Salary banding of Consultant £30-40k, Senior Consultant £40-50k, Principal Consultant £50-60k and Associate Director £60-70k
- 7% employers pension contribution
- 25 + 8 Holiday allowance
- Health and Wellbeing and Volunteer days
- Private Health insurance
- EV Salary Sacrifice Scheme
- Profit Share Scheme

If you are driven to make a difference and passionate about elevating environmental performance in the environmental and construction sector, we'd like to hear from you.
